BOARD OF EQUALIZATION CITY OF DICKINSON, NORTH DAKOTA

MAY 21, 2007

Pursuant to due call and notice, with notice of publication in the <u>Dickinson Press</u>, the Board of Equalization met in compliance with North Dakota State Law. The meeting was held May 21, 2007, commencing at 4:00 P.M., in City Hall located at 99 2nd Street East.

1. CALL TO ORDER

President Dennis W. Johnson called the meeting to order and directed that a copy of the published notice be included as part of the minutes.

2. ROLL CALL

Present were: Dennis W. Johnson, Bill Reitmeier, Carson Steiner and Joe Frenzel. Absent were: Commissioner Rhonda Dukart and City Administrator Greg Sund. Also present: City Attorney Tim Priebe, Attorney Matt Kolling and City Assessor Jan Zent.

3. President Johnson opened the meeting for public input to voice evaluation concerns:

Bonnie Klein, owner of 882 13th Street East, questioned how values are determined and whether there is room for negotiations. City Assessor Jan Zent explained the process. She stated according to North Dakota State Law, the City needs to assess property at true and full value which is based on market value which is what a person is willing to pay for a specific piece of property. She stated amenities used include: quality of construction, status of basement, square footage, number of rooms, home condition, etc when establishing a true and full value. She stated they also apply a mass appraisal method technique where they pull comparable sales for the property. Ms. Klein questioned whether there is room to negotiate the true and full value. Ms. Zent stated she is welcome to come into the Assessor's office and they will review the property and should there be errors in the amenities, square footage, etc., adjustments will be considered if the changes affect the value.

President Johnson asked if there was anybody else who wished to comment. No further comment was received.

There being no further comments, President Johnson closed the public hearing at 4:10 PM.

4. ADDING PROPERTY TO THE ASSESSMENT LIST:

Assessor Zent stated there were no additions to the assessment list.

5. ASSESSOR'S REPORT:

Zent presented her summary of sales ratio statistics and taxroll information for the year ending 2006. She stated true and full valuation for commercial is \$175,614,150 and residential \$502,914,600. New construction for commercial is \$8,627,800 and residential is \$11,949,700. Zent stated the adjusted ratio for commercial is 99.6% and residential is at 95.3% and requested Commission approval as the ratios are in compliance with the state tolerance allowance. She stated the Assessor's office sent out approximately 500 notices to homeowners who's property received a 15% increase and a \$3,000 valuation increase.
