

Winter Shutdown in City Right of Way

With the onset of cold weather, The City of Dickinson wants to notify contractors and residents of the winter shutdown.

December 18th, 2020 will be the last day of allowable excavation in City right-of-way. The City reserves the right to change the date if it is in the best interest of the community. Please coordinate with City staff if there is an emergency that requires work within the right of way after this date,
