COVID Drive-thru Testing RESULTS

- + Positive test results called in 72 hours
- Negative test results called within week
- We will post on Facebook when negatives are in; but still call each person, attempting call 3 times.
- > If you do **NOT** receive a call **after one week**, call us at **701-483-0171**

(It could be your phone number or you not answering when **OUR call number comes up as caller UNKNOWN.**)
