

JLG IMAGE RELEASE POLICY

All photographic, 3-D, and line drawings images created during the course of JLG Project Number 17245, named “Dickinson Town Square” are owned and protected as property of JLG Architects.

Any use of these images, including but not limited to:

- Printing for any commercial or noncommercial use;
- Distributing, hosting, emailing, or redistributing electronically;
- Remote linking;
- Use in artistic recreations or any collage-based art;

is not permitted without express consent by a Principal of JLG Architects. Credit must be given to the Architect via placement of the JLG Logo or the name “JLG Architects” in any printed, online, or other use.

A Royalty in the amount of 1% of the total Architectural Fee, or \$5,000, based on which is more, will be charged for each image use that does not meet the above specifications. Payment of this royalty does not limit any other rights JLG Architects has regarding use of their intellectual property.
