

TRAVEL ADVISORY LIFTED

March 11, 2023

Community Members,

The City of Dickinson is lifting the Travel Advisory effective immediately, but we would like to emphasize the use of caution while driving, as the streets are still icy and snow removal operations are still ongoing throughout the city. Public Works crews will be focusing on Level 1 and Level 2 Emergency Snow Routes in order to facilitate Public Safety responses. If you choose to venture out and encounter snow removal equipment, we ask that you please stay back at least 100' to ensure your safety as well as to allow the crews to work safely and efficiently.

If you have a fire hydrant on your property, we ask that you please work on clearing the snow around the hydrant to ensure it is accessible in the event of an emergency.

Consider downloading the Dickinson Works app from the [App Store](#) or [Google Play](#) to get the latest information regarding snow routes and removal status. Additionally, monitor our social media page for updates.

Dustin Dassinger

City Administrator
