Although the non-English speaking groups are extremely small, the City will have a Limited English Proficiency Plan.

4. Specifically, to public transit, the City:

   At the present time, Elder Care is the lead transit agency and has developed the Coordinated Public Transit-Human Services Transportation Plan. The plan addresses the formation of a Local Advisory Committee to hear public comments as well as submitting an application to the North Dakota Department of Transportation for capital and operating assistance as an on-demand as well as a pre-scheduled taxi service. The City of Dickinson subsidizes elderly care transportation programs with the city’s 1% sales tax revenues and provides a subsidy for the general public transportation through the general fund. Elder Care is also funded with a senior mill levy through Stark County, the United Way, donations and with ride fare income.

TITLE VI COMPLAINT PROCEDURE

SCOPE OF TITLE VI COMPLAINTS

The scope of Title VI covers all external City of Dickinson activities. Adverse impacts resulting in Title VI complaints can arise from many sources, including advertising, bidding, and contracts.

Examples include advertising for bid proposals; prequalification or qualification; bid proposals and awards; selection of contractors, subcontractors, material and equipment suppliers, lessors, vendors, consultants, fee appraisers, universities, etc.

Complaints can originate as a result of project impacts on individuals or groups. For example, social and economic, traffic, noise, air quality, access, accidents, and failure to maintain facilities.

LIMITED ENGLISH PROFICIENCY PLAN

TITLE VI PROGRAM COORDINATOR
SHELLEY NAMENIUK
99 2ND STREET EAST, DICKINSON ND 58601
701-456-7801
INTRODUCTION

This Limited English Proficiency Plan has been prepared to address the City of Dickinson's responsibilities as a recipient of federal financial assistance as they relate to the needs of individuals with limited English proficiency language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq, and its implementing regulations, which state that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166, titled Improving Access to Services for Persons with Limited English Proficiency, indicates that differing treatment based upon a person's inability to speak, read, write or understand English is a type of national origin discrimination. It directs each agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. This order applies to all state and local agencies which receive federal funds, including all City of Dickinson departments receiving federal grand funds.

Plan Summary

City of Dickinson has developed this Limited English Proficiency Plan to help identify reasonable steps for providing language assistant to persons with limited English proficiency (LEP) who wish to access services provided. As defined executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English. This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

In order to prepare this plan, City of Dickinson used the four-factor LEP analysis which considers the following factors:

1. The number or proportion of LEP persons in the service area who may be served by City of Dickinson/Stark County.
2. The frequency with which LEP persons come in contact with City services.
3. The nature and importance of services provided by the City to the LEP population.
4. The interpretation services available to the City and overall cost to provide LEP assistance. A summary of the results of the four-factor analysis is in the following section.

MEANINGFUL ACCESS: FOUR-FACTOR ANALYSIS

The number or proportion of LEP persons in the service area who may be served or are likely to require City/Stark County services.

Through the report from County Staff they reviewed the U.S. Census Bureau, 2010-2014 American Community Survey 5-Year Estimates for Stark County and determined that 1,629 persons, in Stark County [6.5% of the population five or more years of age] speak a language other than English. Of those, 680 persons have limited English proficiency; that is; they speak English less than "very well" or "not at all." This is only 2.7% of the overall population in Stark County based on 2015 population estimates.
In Stark County, of those persons with limited English proficiency, 0.95% speaks Spanish, 0.61% speaks Indo-European languages. 1.12% speaks Asian and Pacific Island languages, and 0.01% speaks all other languages.

The frequency with which LEP persons come in contact with City/Stark County services.

Staff reviewed the frequency with which the City staff have, or could have, contact with LEP persons. This includes documenting phone inquiries or office visits. To date, City has had a few requests for an interpreter of services offered at the Stark County Social Services Office and no requests for translated program documents. The other departments have had very little contact with LEP persons.

The nature and importance of services provided by City of Dickinson to the LEP population.

There is no large geographic concentration of any type of LEP individuals in Stark County. The overwhelming majority of the population, 93.5%, speaks only English. As a result, there are only a few social, service, or professional and leadership organizations within Stark County that focus on outreach to LEP individuals. The City staff is most likely to encounter LEP individuals through vote centers, office visits, phone conversations, meetings, and law enforcement activities.

The resources available to City of Dickinson and overall cost to provide LEP assistance.

The City reviewed its available resources that could be used for providing LEP assistance, which of its documents would be most valuable to be translated if the need should arise, and identified two City employees that speaks fluent Spanish, if translation is needed within a reasonable time period. Other language translation, if needed, would be provided through a telephone interpreter line for which the City would pay a fee.

LANGUAGE ASSISTANCE

A person who does not speak English as their primary language and who has a limited ability to read, write, speak or understand English may be a Limited English Proficient person and may be entitled to language assistance with respect to City services. Language assistance can include interpretation, which means oral or spoken transfer of a message from one language into another language.

How City staff may identify an LEP person who needs language assistance:

- Post notice of LEP Plan and the availability of interpretation or translation services free of charge in languages LEP persons would understand.
- All City staff will be provided with "I Speak" cards to assist in identifying the language interpretation needed if the occasion arises.
- All City staff will be informally surveyed periodically on their experience concerning any contacts with LEP persons during the previous year.
- When the City sponsors an informational meeting or event, a staff person may greet participants as they arrive. By informally engaging participants in conversation it is possible to gauge each attendee's ability to speak and understand English.
Language Assistance Measures

Although there is a very low percentage of a LEP individual in Stark County, that is, persons who speak English less than "very well" or "not at all", we will strive to offer the following measures:

- City staff will take reasonable steps to provide the opportunity for meaningful access to LEP clients who have difficulty communicating in English.
- The following resources will be available to accommodate LEP persons:
  - City employee interpreters for the Spanish language are available and will be provided within a reasonable time period.
  - Language interpretation will be accessed for all other languages through a telephone interpretation service.

STAFF TRAINING

The following training will be provided to all staff:

- Information on the Title VI Policy and LEP responsibilities.
- Description of language assistance services offered to the public.
- Use of the 'I Speak" cards.
- Documentation of language assistance requests.
- How to handle a potential Title VI/LEP complaint.

TRANSLATION OF DOCUMENTS

Due to the very small local LEP population, the City does not have a formal outreach procedure in place, as of 2016. Translation resources have been identified and are limited in this region. However, when and if the need arises for LEP outreach, the City will consider the following options.

- When staff prepares a document, or schedules a meeting, for which the target audience is expected to include LEP individuals, then documents, meeting notices, flyers and agendas will include a notice to request that information be printed in an alternative language.
- The City will assess requests for translation of documents based on the possible impacts of the LEP population.

MONITORING

Monitoring and Updating the LEP Plan — City of Dickinson will update the LEP Plan as required. At a minimum, the plan will be reviewed and updated when data from the U.S. Census is available, or when it is clear that higher concentrations of LEP individuals are present in the City/Stark County. Updates will include the following:

- The number of documented LEP person contacts encountered annually.
- How the needs of LEP persons have been addressed.
- Determination of the current LEP population in the service area.
- Determination as to whether the need for translation services has changed.
- Determine whether local language assistance programs have been effective and sufficient to meet the need.
- Determine whether the City's financial resources are sufficient to fund language assistance resources needed.
- Determine whether the City fully complies with the goals of this LEP Plan.
- Determine whether complaints have been received concerning the agency's failure to meet the needs of LEP individuals.

**DISSEMINATION OF THE CITY OF DICKINSON LEP PLAN**

- Post signs at City of Dickinson office buildings notifying LEP persons of the LEP Plan and how to access language services.
- State on agendas and public notices in the language that a LEP person would understand that documents are available in that language upon request at City building locations.
- Post on the City website the LEP Plan and how to access language services.
The City of Dickinson, as a recipient of federal financial assistance, is required to provide written and oral translations for individuals with limited English proficiency—people who do not speak English well or at all. There is a four-factor analysis that assists in the determination of which written or spoken communications must be translated. The four factors are:

- Number or portion of persons eligible to be served or likely to encounter a program, activity or service who are LEP.
- Frequency that LEP individuals come into contact with programs, activity or services.
- Nature and importance of the program, activity, or service in people’s lives.
- Resources available and costs of providing translations.

As an employee of the City, who has direct contact with the public in some capacity, your answers to the following questions will help to complete the four factor analysis. The information you provide is valuable and appreciated.

Equal Employment Opportunity is THE LAW

Private Employers, State and Local Governments, Educational Institutions, Employment Agencies and Labor Organizations

Applicants to and employees of most private employers, state and local governments, educational institutions, employment agencies and labor organizations are protected under Federal law from discrimination on the following bases:

RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN
Title VII of the Civil Rights Act of 1964, as amended, protects applicants and employees from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment, on the basis of race, color, religion, sex (including pregnancy), or national origin. Religious discrimination includes failing to reasonably accommodate an employee's religious practices where the accommodation does not impose undue hardship.

DISABILITY
Title I and Title V of the Americans with Disabilities Act of 1990, as amended, protect qualified individuals from discrimination on the basis of disability in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship.

AGE
The Age Discrimination in Employment Act of 1967, as amended, protects applicants and employees 40 years of age or older from discrimination based on age in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment.

SEX/WAGES
In addition to sex discrimination prohibited by Title VII of the Civil Rights Act, as amended, the Equal Pay Act of 1963, as amended, prohibits sex discrimination in the payment of wages to women and men performing substantially equal work, in jobs that require equal skill, effort, and responsibility, under similar working conditions, in the same establishment.

GENETICS
Title II of the Genetic Information Nondiscrimination Act of 2008 protects applicants and employees from discrimination based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. GINA also restricts employers' acquisition of genetic information and strictly limits disclosure of genetic information. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of diseases or disorders in family members (family medical history); and requests for or receipt of genetic services by applicants, employees, or their family members.

RETRALIATION
All of these Federal laws prohibit covered entities from retaliating against a person who files a charge of discrimination, participates in a discrimination proceeding, or otherwise opposes an unlawful employment practice.

WHAT TO DO IF YOU BELIEVE DISCRIMINATION HAS OCCURRED
There are strict time limits for filing charges of employment discrimination. To preserve the ability of EEOC to act on your behalf and to protect your right to file a private lawsuit, should you ultimately need to, you should contact EEOC promptly when discrimination is suspected:
The U.S. Equal Employment Opportunity Commission (EEOC), 1-800-669-4000 (toll-free) or 1-800-669-6820 (toll-free TTY number for individuals with hearing impairments). EEOC field office information is available at www.eeoc.gov or in most telephone directories in the U.S. Government or Federal Government section. Additional information about EEOC, including information about charge filing, is available at www.eeoc.gov.
Employers Holding Federal Contracts or Subcontracts

Applicants to and employees of companies with a Federal government contract or subcontract are protected under Federal law from discrimination on the following bases:

RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN
Executive Order 11246, as amended, prohibits job discrimination on the basis of race, color, religion, sex or national origin, and requires affirmative action to ensure equality of opportunity in all aspects of employment.

INDIVIDUALS WITH DISABILITIES
Section 503 of the Rehabilitation Act of 1973, as amended, protects qualified individuals from discrimination on the basis of disability in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship. Section 503 also requires that Federal contractors take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level.

DISABLED, RECENTLY SEPARATED, OTHER PROTECTED, AND ARMED FORCES SERVICE MEDAL VETERANS
The Vietnam Era Veterans’ Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212, prohibits job discrimination and requires affirmative action to employ and advance in employment disabled veterans, recently separated veterans (within three years of discharge or release from active duty), other protected veterans (veterans who served during a war or in a campaign or expedition for which a campaign badge has been authorized), and Armed Forces service medal veterans (veterans who, while on active duty, participated in a U.S. military operation for which an Armed Forces service medal was awarded).

RETALIATION
Retaliation is prohibited against a person who files a complaint of discrimination; participates in an OFCCP proceeding, or otherwise opposes discrimination under these Federal laws.

Any person who believes a contractor has violated its nondiscrimination or affirmative action obligations under the authorities above should contact immediately:
The Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210, 1-800-397-6251 (toll-free) or (202) 693-1337 (TTY). OFCCP may also be contacted by e-mail at OFCCP-Public@dol.gov, or by calling an OFCCP regional or district office, listed in most telephone directories under U.S. Government, Department of Labor.

Programs or Activities Receiving Federal Financial Assistance

RACE, COLOR, NATIONAL ORIGIN, SEX
In addition to the protections of Title VII of the Civil Rights Act of 1964, as amended, Title VI of the Civil Rights Act of 1964, as amended, prohibits discrimination on the basis of race, color or national origin in programs or activities receiving Federal financial assistance. Employment discrimination is covered by Title VI if the primary objective of the financial assistance is provision of employment, or where employment discrimination causes or may cause discrimination in providing services under such programs. Title IX of the Education Amendments of 1972 prohibits employment discrimination on the basis of sex in educational programs or activities which receive Federal financial assistance.

INDIVIDUALS WITH DISABILITIES
Section 504 of the Rehabilitation Act of 1973, as amended, prohibits employment discrimination on the basis of disability in any program or activity which receives Federal financial assistance. Discrimination is prohibited in all aspects of employment against persons with disabilities who, with or without reasonable accommodation, can perform the essential functions of the job.

If you believe you have been discriminated against in a program of any institution which receives Federal financial assistance, you should immediately contact the Federal agency providing such assistance.
CITY OF DICKINSON, NORTH DAKOTA

TITLE VI/NONDISCRIMINATION AND ADA POLICY STATEMENT

Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, and national origin. Specifically, 42 USC 2000d states that "No person in the United States shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance." In addition to Title VI, there are other Nondiscrimination statutes which include: Section 182(a) of the Federal-Aid Highway Act of 1973 (23 USC 324) (sex), Age Discrimination Act of 1975 (age), and Section 504 of the Rehabilitation Act of 1973/ADA of 1990 (disability). Taken together, these requirements define an over-arching Title VI/Nondiscrimination and ADA Program. Title VI and the additional Nondiscrimination requirements are applicable to programs receiving federal financial assistance due to the Civil Rights Restoration Act of 1977.

There are two Presidential Executive Orders that place further emphasis upon the Title VI protections of race and national origin. Executive Order 12898 ensures nondiscrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations. Executive Order 13166 directs recipients of Federal financial assistance that to ensure compliance with Title VI, they must take reasonable steps to ensure that limited English proficiency persons have meaningful access to their programs.

I, as Human Resource Coordinator of the City of Dickinson am personally committed to and support taking all steps to ensure that no person or groups of persons shall, on the grounds of race, color, national origin, sex, age, disability, limited English proficiency, or income status, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any and all programs, services, or activities administered by City of Dickinson, its recipients, sub recipients, and contractors.

The City of Dickinson Human Resource Coordinator, Shelly Nameniuk is appointed as the Title VI Coordinator and ADA Coordinator and is granted the authority to develop, administer, and monitor the Title VI/Nondiscrimination and ADA Program as promulgated.

Further, I sub-delegate and charge the City Administrator with the responsibilities to ensure compliance with Title VI/Nondiscrimination and ADA Program requirements in their respective program areas.

Anyone who believes that he or she has been discriminated against should contact Shelly Nameniuk, Title VI Coordinator and ADA Coordinator, 99 2nd Street East, Dickinson, ND 58601 at 701-456-7744. TTY users may call Relay North Dakota at 711 or 1-800-366-6888 (toll free).

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975, and Section 504 of the Rehabilitation Act of 1973), by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally assisted.

Specific Assurances

More specifically, and without limiting the above general Assurance, the Recipient agrees with and gives the following Assurances with respect to its Federally assisted Federal-Aid Highway Program.

1. The Recipient agrees that each "activity," "facility," or "program," as defined in §§ 21.23 (b) and 21.23 (e) of 49 C.F.R. § 21 will be (with regard to an "activity") facilitated, or will be (with regard to a "facility") operated, or will be (with regard to a "program") conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations.

3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations.

4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient.

5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith.

6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property.

7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:

   a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
   b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.

8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:

   a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
   b. the period during which the Recipient retains ownership or possession of the property.

9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.

10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, the City of Dickinson also agrees to comply (and require any sub-recipients,

Auxiliary Aids and Services

As a recipient of Federal Financial Assistance, City of Dickinson assures compliance with Title VI of the Civil Rights Act of 1964, Regulations, and other pertinent directives. City of Dickinson is required to take reasonable steps to ensure meaningful access to persons with Limited English Proficiency (LEP) through oral and written translation.

Additionally, City of Dickinson has a responsibility to develop a policy in advance of any request for auxiliary aids or services for persons with impaired vision and hearing. With respect to the provision of auxiliary aids to access City of Dickinson programs, services and activities, the most likely of these will be services provided to the public through office visits or phone conversations. Program areas where auxiliary aids and effective communications may be required include, but are not limited to the following: city commissioner meetings, public hearings, and bid opening events, right-of-way proceedings, social services programs, law enforcement activities, and vote centers.

Auxiliary aids and services for deaf or hard of hearing include a wide range of services, equipment, and devices such as:
- sign language interpreter
- note takers
- computer-aided real-time transcription services (CART)
- amplified and hearing-aid compatible telephones
- assistive listening systems
- open or closed captioning and caption decoders
- video relay, or
- text telephones/ telephone communication devices for the deaf (TIY/TDD), and
- flashing alarms

Auxiliary aids and services for the vision impaired include providing access to printed information through the following:
- audiotape recording - MP3
- computer diskettes
- Braille or large print materials, or through the use of qualified readers
- providing verbal descriptions of action and visual information to enhance the accessibility of performances and presentations; and
- making a staff member available as a guide to enable a person with limited vision to find his or her way along an unfamiliar route

The following information provides a synopsis of the critical facts and costs involved in providing oral and written communication services.

North Dakota has laws governing Interpreter Services for individuals that are deaf, deaf-blind, speech impaired, hard of hearing, or who require special communication techniques in order to communicate. Our policy should identify what qualifications are required for interpreters after reviewing the North Dakota Century Code as the Federal Highway Administration (FHWA) Americans with Disabilities Act (ADA) Desk Reference states that when sign language interpretation is necessary, the ADA requires that it be provided by a "qualified interpreter" and defined at [28 C. F. R. § 35.104].
North Dakota Century Code

- Under Occupations & Professions, Chapter 43-52 Interpreters
  - Defines requirements for deaf persons
  - Requires a valid nationally recognized certification or met certification by 2003
  - Contains exceptions

Under Judicial Procedure, Civil, Chapter 28-33 Interpreters for Deaf Persons

- Defines requirements for deaf persons
- Includes administrative proceedings
- Requires "Qualified interpreter"- certified by the national registry of interpreters for the deaf or ND Association for the deaf, interpreter approved by the superintendent of the school for the deaf, or, if none available, any other interpreter whose qualifications have been appropriately determined.

The FHWA ADA Desk Reference allows flexibility in providing accommodations. A visual communication accommodation may include the use of other auxiliary aids such as recorded text, electronic documents, or large print text depending on the circumstances.

The FHWA Limited English Proficiency Program Desk Reference states that oral interpreters are not required to have formal certification but certification is helpful. Recipients can ensure with greater certainty that they comply with their obligation to provide written translations in languages other than English by following the Safe Harbor provisions.

**Safe Harbor.** Many recipients would like to ensure with greater certainty that they comply with their obligations to provide written translations in languages other than English. Paragraphs (a) and (b) below outline the circumstances that can provide a "safe harbor" for recipients regarding the requirements for translation of written materials. A "safe harbor" means that if a recipient provides written translations under these circumstances, such action will be considered strong evidence of compliance with the recipient's written-translation obligations under Title VI.

The failure to provide written translations under the circumstances outlined in paragraphs (a) and (b) does not mean there is noncompliance. Rather these paragraphs merely provide a guide for recipients that would like greater certainty of compliance than can be provided by a fact-intensive, four-factor analysis. For example, even if a safe harbor is not used, if written translation of a certain document(s) would be so burdensome as to defeat the legitimate objectives of its program, it is not necessary. Other ways of providing meaningful access, such as effective oral interpretation of certain vital documents, might be acceptable under such circumstances.

The following actions will be considered strong evidence of compliance with the recipient's written-translation obligations:

a. The STA/Sub recipient provides written translations of vital documents for each eligible LEP language group that constitutes 5% or 1000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered. Translation of other documents, if needed, can be provided orally; or

b. If there are fewer than 50 persons in a language group that reached the 5% trigger in (a), the recipient does not translate vital written materials but provides written notice in the primary language of the LEP language group of the right to receive competent oral interpretation of those written materials, free of cost.
These safe harbor provisions apply to the translation of written documents only. They do not affect the requirement to provide meaningful access to LEP individuals through competent oral interpreters where oral language services are needed and are reasonable.
