APPLICATION FOR DRILLING AN OIL WELL

_____ (Name of Company) requests a public hearing before the City Commissioners for the purpose of drilling an oil well on the following described property (must include quarter section, Township, range and the location site within the quarter section):

The following information is submitted with the application.

- a. Scale drawing of the property and appropriate dimensions.
- b. Scale, north arrow, date and legend.
- c. Name, address and telephone number of property owner and applicant.
- d. Location and size of existing easements, utilities and right-of-ways.
- e. Location and dimensions of all vehicular entrances, exits and drives.
- f. General drainage system.
- g. Location of all physical facilities to include proposed wells, structures, portable toilets, and relationship to all buildings within a 660 foot radius.
- h. Statement describing all pollution prevention equipment to be utilized. Blow out prevention devices are required.
- i. Location of mud pits.
- j. Location of tank batteries and size of battery site.
- k. Any oil, gas or water lines to be utilized.
- l. Type of screening devices or construction to be utilized around the pumping site.
- m. Proof of insurance.
- n. Public streets to be utilized.

I, _____, representing _____ have received a copy of city ordinance Number 1152, and understand that any well drilled within the zoning jurisdiction of the City of Dickinson must comply with said ordinance.

A filing fee of \$1000.00 must accompany this application.
